

**Region 4 EMS Council
Meeting Agenda
June 9, 2010
1000
Crisis City**

DIRECTIONS TO CRISIS CITY:

From I-135, exit on Water Well Road.

Go west on Water Well Road to the stop sign approximately 3 miles (intersection of Water Well Road and Burma Road).

Cross over Burma Road and stay on Water Well Road. Water Well Road turns to dirt/mud at that intersection.

Drive approximately 3 miles on dirt Water Well Road, passing intersections of Lightville Road and Muir Road.

Turn south (left) on Hoeneck Road (new gravel on this road). Hoeneck Road will wind south, then east.

Follow Hoeneck Road to Englund Road (road is blocked facing east for construction at this intersection).

Turn south (right) on Englund Road. This is the Range Control access road.

At the Range access point, input the code 9756 to open the gate.

Continue on this road AT 20 MPH past the block barracks and open latrine complex to the fenced maintenance facility.

Turn west (right) at the fenced maintenance facility. Go past the old rubble pile on the north (right) side of the road to the Crisis City main gate on the south (left) side of the road.

Drive in the gate. If the gate is closed, the access code is 1234.

PLEASE RSVP TO: region4ems@eaglecom.net to make sure we have adequate lunch and minimal waste!
